## Chartered Organization Voter Registration Program Memorandum of Understanding

We, the undersigned, on behalf of our organization, have read the Chartered Organization Voter Registration Program Guidelines and agree to follow them: including, but not limited to, ensuring that none of the photocopies of voter registration cards submitted will be duplicates nor have been gathered by those participating in petition, initiative, or similar drives, and that the original cards will be turned into the county elections department within three days of being collected, as required the California law.

We, the undersigned, have read the Secretary of State’s Voter Guide to Voter Registration Drives and the California *Election Code* handout available on the Chartered Organization Voter Registration Program Web page at <http://www.cadem.org/resources?id=0473>. Further, we understand that it is our responsibility to be aware of, and comply with, any state or federal law concerning voter registration.

We, the undersigned, will audit, at a minimum, 10% of the cards submitted to ensure validity. We understand such processing is our responsibility. Further, we understand that the California Democratic Party (CDP) reserves the right to reject the FULL submission if the Chartered Organization Voter Registration Program Guidelines are not followed.

We, the undersigned, understand that payments will be made separately using federal and non---federal funds. We understand that it is our responsibility to ensure that funds are deposited in the correct account and that no funds received through the program can be used for Federal Election Activity, which includes voter registration.

We, the undersigned, on behalf of our organization agree to indemnify and hold harmless the CDP and its agents from and against any and all administrative or civil fines, penalties and damages, including attorneys’ fees and costs, resulting from any wrongful acts of omissions by us or our agents or employees, to include, without being limited to, failure to comply with any provision of the California *Election Code* applicable to voter registration activities.
