B. Standing Committee Members

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of California's National Convention delegates, at a meeting to be held on Saturday, May 18, 2024 *(Call VII.B.1)*
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. *(Call VII.B.1)*
2. Allocation of Members
 - a. The members of the standing committees allocated to California shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. *(Call VII.C.1 & Reg. 5.9)*
 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to California. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more

California 2024 Delegate Selection Plan

than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (*Call VII.C.2*)

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (*Call VII.C.3*)
- d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (*Call VII.C.4*)

- a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (*Call VII.D.1*)

(*Rule 6.1 & Reg. 4.10*)
- b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the

For avoidance of doubt: there is no requirement that positions be assigned to those who identify as gender non-binary but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*
- (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*
- (4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.

2. Each presidential candidate must submit a written statement to the State Democratic Chair by Friday, *September 29, 2023*, which indicates the specific steps they will take to encourage full participation by their supporters in California's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*

Furthermore, presidential candidates shall use their best efforts

California 2024 Delegate Selection Plan

at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach and inclusion goals and equal division for their respective delegations. (*Rule 6.C., Rule 6.I & Reg. 4.10*)

F. Outreach and Inclusion Program

1. The State Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.
3. The State Party will make accommodations to facilitate greater participation by people with disabilities by increasing outreach and working in coordination with the California Democratic Party's Disabilities Caucus. The State Party will lead by example to set the standard of true inclusion by promoting a culture of respect and dignity of all Democrats that may need assistance, the State Party will lead with the rules of being courteous, respectful, to see all persons for who they are, not as the disability that they have. Using person-first language, such as saying a person with a vision impairment instead of a blind person, helps us focus on the person and not their disability. Common sense and respect can guide us in interactions with people with all disabilities. All election locations must be ADA accessible, meaning that the site must be accessible to all persons with disabilities. Election locations must be easy access for all Democrats who wish to participate in the delegate selection process and activities. Regardless of elevator availability, locations with stairs are required to allow all participants to reach the balloting area easily. A location must be easy to find, including the path of travel from parking to registration and voting tables and described in detail for all participants.
4. In addition to the education, publicity and other steps described above, the State Party will work in coordination with the LGBT, African American, Native American, Asian and Pacific Islander and Chicano Latino Caucuses to greater increase participation in constituency groups through outreach.

California *Elections Code* Sections related to Presidential Primaries, Ballot Access, and the 2024 Delegate Selection Process

The California *Elections Code* is available online at leginfo.ca.gov.

§ 6040

This article shall apply to the designation of candidates by the Secretary of State for placement only on the presidential primary ballot.

§ 6041

The Secretary of State shall place the name of a candidate upon the presidential primary ballot when he or she has determined that the candidate is generally advocated for or recognized throughout the United States or California as actively seeking the nomination of the Democratic Party for President of the United States. The Secretary of State shall include as criteria for selecting candidates the fact of qualifying for funding under the Federal Elections Campaign Act of 1974, as amended. On or before the 88th day preceding a presidential primary election, the Secretary of State shall publicly announce and distribute to the news media for publication a list of the selected candidates that the Secretary of State intends to place on the ballot at the following presidential primary election.

§ 6042

When the Secretary of State decides to place the name of a candidate on the ballot pursuant to Section 6041, he or she shall notify the candidate that the candidate's name will appear on the ballot of this state in the presidential primary election. The secretary shall also notify the candidate that the candidate may withdraw his or her name from the list of recognized candidates by filing with the Secretary of State an affidavit pursuant to Section 6043 no later than the 68th day before the presidential primary election.

§ 6043

If a selected candidate or an unselected candidate files with the Secretary of State, no later than the time specified in Section 6042, an affidavit stating without qualification that he or she is not now a candidate for the office of President of the United States, and stating that similar documents, also without qualification, have been or will be timely filed, where applicable, with the appropriate public election official in all other states holding open presidential primaries, that candidate's name shall be omitted from the list of names certified by the Secretary of State to the county elections officials for the ballot and his or her name shall not appear on the ballot.

§ 6060

This article shall apply to the qualification for placement on the presidential primary ballot of candidates who are not selected candidates as referred to in Section 6041, and each group, consisting of at least seven voters of the state who are registered as affiliated with the Democratic Party, proposing the selection of delegates expressing no preference for a candidate for President, hereinafter referred to as an "uncommitted delegation." The additional candidates who qualify under this article shall hereinafter be referred to as unselected candidates.

§ 6061

Any unselected candidate or uncommitted delegation desiring to be placed on the presidential primary ballot shall have nomination papers circulated on behalf of the candidacy. In order to qualify for placement on the presidential primary ballot, the candidate's or uncommitted delegation's nomination papers shall be signed by voters registered as affiliated with the Democratic Party equal in number to not less than 1 percent or 500, whichever is fewer, in each congressional district of the number of persons registered as members of the Democratic Party in the report of registration issued by the Secretary of State on the 135th day preceding the presidential primary election. The unselected candidates or uncommitted delegations shall meet the statewide signature requirements from each congressional district in order to be eligible for placement on the ballot in any one congressional district.

§ 6080

Each candidate who seeks to qualify under Article 4 (commencing with Section 6060) and each group proposing an uncommitted delegation shall appoint a steering committee of seven members and shall appoint one of the members to serve as the chairperson.

§ 6081

6081. The chairperson of a steering committee, at least 82 days prior to the presidential primary, shall file with the Secretary of State a statement containing the names and addresses of the members of the steering committee.

§ 6082

6082. Each steering committee shall be responsible for the circulation of nomination papers of candidates who seek to qualify under Article 4 (commencing with Section 6060) and groups proposing uncommitted delegations.

§ 6101

Nomination papers to be circulated pursuant to Section 6061 shall be prepared, circulated, signed, and verified and shall be left for examination with the county elections official of the county in which they are circulated at least 81 days prior to the presidential primary election.

§ 6102

Upon the filing of nomination papers pursuant to Section 6061 signed by the required number of voters, the candidate or uncommitted delegation named in the papers shall be eligible to select a delegation for placement on the ballot which shall be voted upon in the presidential primary election.

§ 6103

Upon receipt of a sufficient number of signatures for the presidential primary ballot, the Secretary of State shall notify the chairperson of the steering committee of each unselected candidate or uncommitted delegation of that fact and advise him or her that no more signatures will be received.

§ 6104

Each signer of a nomination paper may sign only one paper. Each signer shall print his or her name, indicate his or her place of residence, and declare his or her intention to support the candidate or delegation named on the nomination paper.

§ 6105

Any nomination paper may be presented in sections. Each section shall contain the name of the candidate or chairperson of the steering committee in the case of uncommitted delegations. Each section shall bear the name of the county in which it is circulated. Only voters of the county whose affidavits of registration declare the Democratic Party as their party affiliation are competent to sign.

§ 6106

Each section shall be prepared with the lines for signatures numbered, and shall have attached the affidavit of the circulator who obtained signatures to it, which shall meet all of the requirements of Section 104. No other affidavit is required. The affidavit of any circulator shall be verified free of charge by any officer authorized to administer oaths.

§ 6107

A verified nomination paper is prima facie evidence that the signatures are genuine and that the persons signing it are voters, until it is otherwise proved by comparison of the signatures with the affidavits of registration in the office of the county elections official.

§ 6108

The nomination paper for the presidential primary ballot shall be in substantially the following form:
