RE: Statment from CADEM Officers to extend U.S. Senate Endorsements Filing Period

Given the circumstances surrounding the passing of Senator Dianne Feinstein and the recent swearing-in of Senator Laphonza Butler, CADEM's Statewide Officers have revisited the October 13, 2023 deadline for a candidate to apply for the Party's endorsement in the upcoming 2024 election.

In the interest of a fair and transparent process, CADEM's Statewide Officers have unanimously agreed to move the deadline for a candidate for U.S. Senate to apply for the Party's endorsement to Friday, October 27, 2023 at 12pm.

This modification does not apply to the application deadline for any other political office.
