(Call II.A)

3. Following the state Party Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). Section III
Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. California is allocated 277 district-level delegates and 26 district-level alternates. (Rule 8.C, Call I.B, I.I, & Appendix B)

2. District-level delegates and alternates shall be elected by a presidential preference primary followed by a post-primary caucus, with the first determining step on March 8.
5, 2024. All meetings must be scheduled for the same time and date throughout the state to ensure no crossover participation occurs.

a. A presidential preference primary will be held on Tuesday, March 5, 2024, followed by District-level delegates and alternates caucuses on April 21, 2024, to elect delegates.

b. District-level delegates and alternates will be selected at post-primary caucuses that will be scheduled on April 21, 2024, to elect delegates. Voting will be by ballot, with space for each eligible voter to vote for between one delegate candidate and all the candidates’ slots allocated per the CD they are voting in. After all ballots are received, the votes for each candidate will be tallied. Delegate candidates will then be ranked by gender from first to last. Each CD is allocated between 4 and 11 delegate slots in total. The number of men and women shall not vary by more than one. In the case of a non-binary gender individual, they shall not be counted in either the male or female category. 25 CDs are allocated an alternate slot. The number of delegates awarded to a presidential candidate is dependent on the share of the Democratic vote received by the candidate within the CD based on the March 5, 2024, Presidential Primary.

c. As in past cycles, it will be the responsibility of each of the individual qualified presidential campaigns to organize the April 21, 2024 Caucuses including selecting locations (accessible to persons with disabilities) and be the point of contact for all convenor questions or issues that arise at the caucus. Locations must be secure and transmitted to the State Party at least 20 days in advance of March 31, 2024, so there will be ample time to publicize locations. The California Democratic Party will provide assistance (such as local contact names for possible convenors, providing a listing of past sites used, provide a training manual and “convener guide”), will manage the delegate filing process, confirm delegate and alternate candidates are registered Democrats using an online candidate filing platform, provide materials including ballots, sign-in sheets, return envelopes, and general guidance both on the day of the and throughout the process, as well as other specific needs which may arise. As locations are confirmed, they will be listed on the www.Cadem.org website.

d. An online voting process may be utilized for the selection of the District-Level delegates in compliance with the Democratic National Committee’s principles and best practices for secure electronic voting. Should presidential campaigns choose to use an online voting process, the California Democratic Party will provide assistance to standardize the process amongst campaigns and review this process with the DNC Tech Team.
3. Apportionment of District-Level Delegates and Alternates

   a. California’s district-level delegates and alternates are apportioned among the
districts based on a formula giving equal weight to total population and to the
average vote of the Democratic Candidates in the 2016 and 2020 presidential
elections. This method was chosen to ensure the widest representation of
delegates from all Fifty-two (52) congressional districts. (Rule 8.A, Reg. 4.12,
Reg. 4.11 & Appendix A)

   b. The number of men and the number of women in the state’s total number of
district-level delegates and alternates will not vary by more than one. (Rule
6.C.1 & Reg. 4.9)

   c. The district-level delegates and alternates are apportioned to districts as
indicated in the following table, assuming no gender non-binary delegates or
alternates:

3. These members will be selected in accordance with the procedures indicated below. (Rule 1.G)

B. Standing Committee Members

1. Selection Meeting

   a. The members of the standing committees shall be elected by a quorum of California’s National Convention delegates, at a meeting to be held on Saturday, May 18 (Call VII.B.1)

   b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. (Call VII.B.1)

2. Allocation of Members

   a. The members of the standing committees allocated to California shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state’s delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. (Call VII.C.1 & Reg. 5.9)

   b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to California. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more
than 1.455 but less than 2.455 are entitled to two (2) positions, etc. *(Call VII.C.2)*

c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. *(Call VII.C.3)*

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. *(Call VII.C.4)*

b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the

For avoidance of doubt: there is no requirement that positions be assigned to those who identify as gender non-binary but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

(1) A separate election shall be conducted for membership on each standing committee.

(2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. *(Call VII.E.2)*

(3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). *(Call VII.E.1)*

General Provisions and Procedural Guarantees

A. The California Democratic Party reaffirms its commitment to an open party by incorporating the “six basic elements” as listed below. As our Party strives to progress in the fight against discrimination of all kinds, these six basic elements have evolved and grown along with the constant push for more inclusion and empowerment. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process. (Rule 4.A, Rule 4.B & Rule 4.C)

1. All public meetings at all levels of the Democratic Party in California should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”). (Rule 4.B.1)

2. No test for membership in, nor any oaths of loyalty to, the Democratic Party in California should be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination based on “status.” (Rule 4.B.2)

3. The time and place for all public meetings of the Democratic Party in California on all levels should be publicized fully and, in such manner, as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons. (Rule 4.B.3)

4. The Democratic Party in California, on all levels, should support the broadest possible registration without discrimination based on “status.” (Rule 4.B.4)

5. The Democratic Party in California should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures should be done in such fashion that all prospective and current members of the State Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization. As part of this, the State Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running
California 2024 Delegate Selection Plan

for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. *(Rule 4.B.5)*

6. The Democratic Party in California should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the State Democratic Party. Such publication should be done in timely fashion so that all prospective candidates or applicants for any elected or appointed position within each State Democratic Party will have full and adequate opportunity to compete for office. *(Rule 4.B.6)*

B. Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. *(Rule 5.B)*

C. California’s delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, i.e. the number of men and women shall not vary by more than one. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification. In the case of gender non-binary delegates or alternates, they shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided by gender. *(Rule 6.C)*

D. All delegate and alternate candidates must be identified as to presidential preference or uncommitted status at all levels which determine presidential preference. *(Rule 13.A)*

E. No delegate at any level of the delegate selection process shall be mandated by law or Party rules to vote contrary to that person’s presidential choice as expressed at the time the delegate is elected. *(Rule 13.I)*

F. Delegates elected to the national convention pledged to a presidential candidate shall in all good conscience reflect the sentiments of those who elected them. *(Rule 13.J)*

G. Each delegate, alternate and standing committee member must be a bona fide Democrat, who is faithful to the interests, welfare and success of the Democratic Party of the United States, who subscribes to the substance, intent and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith. *(Rule 13.H, Call VII.A.4 & Reg. 4.25)*

H. Forty percent (40%) of the members of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of National Convention delegates, alternates, standing committee members, and other official Convention participants. *(Rule 16)*
California 2024 Delegate Selection Plan

I. An accredited participant in a caucus, convention or committee meeting, after having established credentials, may register a non-transferable proxy with (i.e., deliver a signed proxy to) another duly accredited participant at that meeting (except where an accredited alternate is present and eligible to serve as a replacement), provided that no individual may hold more than one (1) proxy at a time. (Rule 17 & Reg. 4.30)

K. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. (Rule 18.B)

L. All steps in the delegate selection process, except the filing of presidential candidates as allowed by rule 15.D, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan and Outreach and Inclusion Programs or as otherwise allowed. (Rule 1.F & Rule 12.B)

M. In electing and certifying delegates and alternates to the 2024 Democratic National Convention, the State Democratic Party hereby undertakes to assure all Democratic voters in California, a full, timely and equal opportunity to participate in the delegate selection process and in all Party affairs and to implement affirmative action and outreach and inclusion plans toward that end; that the delegates and alternates to the Convention shall be selected in accordance with the Delegate Selection Rules for the 2024 Democratic National Convention; and that the delegates certified will not publicly support or campaign for any candidate for President or Vice President other than the nominees of the Democratic National Convention. **D. Efforts to Publicize the Delegate Selection Process**

Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage. Exhibit #2 – a listing of the media outlets to receive this information, either as a whole or as part “A” (Major Daily Newspapers, Radio and Television Stations”) and part “B”- (“Other ‘Non-Minority’ Media outlets.) *(Rule 4.B.3 & Rule 6.D)*

3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party’s constituencies.

4. Furthermore, presidential candidates shall use their best efforts
F. Outreach and Inclusion Program

1. The State Democratic Party is committed to help achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.

2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state and national levels.

3. The State Party will make accommodations to facilitate greater participation by people with disabilities by increasing outreach and working in coordination with the California Democratic Party’s Disabilities Caucus. The State Party will lead by example to set the standard of true inclusion by promoting a culture of respect and dignity of all Democrats that may need assistance, the State Party will lead with the rules of being courteous, respectful, to see all persons for who they are, not as the disability that they have. Using person-first language, such as saying a person with a vision impairment instead of a blind person, helps us focus on the person and not their disability. Common sense and respect can guide us in interactions with people with all disabilities. All election locations must be ADA accessible, meaning that the site must be accessible to all persons with disabilities. Election locations must be easy access for all Democrats who wish to participate in the delegate selection process and activities. Regardless of elevator availability, locations with stairs are required to allow all participants to reach the balloting area easily. A location must be easy to find, including the path of travel from parking to registration and voting tables and described in detail for all participants.

4. In addition to the education, publicity and other steps described above, the State Party will work in coordination with the LGBT, African American, Native American, Asian and Pacific Islander and Chicano Latino Caucuses to greater increase participation in constituency groups through outreach.
